

Fertility2011

5-7 JANUARY 2011
Dublin Convention Centre

CALL FOR PAPERS

www.fertility2011.org

Fertility 2011 is the 7th biennial conference of the UK Fertility Societies:

the Association of Clinical Embryologists, British Fertility Society and the Society for Reproduction & Fertility.

We are delighted to be hosting the event in Dublin and are pleased to welcome to the organising committee, the Association of Irish Clinical Embryologists (ICE).

The conference will offer delegates an exciting, cutting edge programme of scientific international speakers, specialist concurrent sessions, poster presentations and a packed social programme, attracting over 400 experts in fertility, sexual health and reproductive biology.

The organisers are inviting submissions of papers for oral and poster presentation. The categories for submission include:

1. Cell Signalling
2. Assisted conception
3. Clinical Andrology
4. Clinical Urology
5. Contraception
6. Corpus Luteum
7. Embryology
8. Fertilization
9. Infertility - Female
10. Infertility - Male
11. Nursing
12. Oocytes
13. Organelles
14. Stem Cells
15. Ovarian Follicles
16. Pregnancy (including outcomes)
